

THE CAMOUFLAGED OCTOPUS (TO THE TUNE OF THE ITSY BITSY SPIDER)

The camouflaged octopus paddled on out to shore,

(link thumbs and wiggle fingers low)

Down swooped a seagull, hungry to the core.

(link thumbs and wiggle fingers high)

Out came the child, and the gull did flee,

(walk two fingers on palm of other hand, link thumbs and wiggle fingers high)

And the camouflaged octopus swam back out to sea!

(link thumbs and wiggle fingers low)
