

January 2018

Dear State Representatives and Board Members,

The last two years, as a part of the CSLP Annual Meeting, we have asked participants to donate a book to be given to a library that has experienced a natural disaster. This year we would like to continue this project and donate to the state of Texas.

If you are attending the Annual Meeting in Denver, I would like to ask you to consider bringing a new children's or teen book (or more than one!) to donate to three libraries in need of new books. We have been working with the Texas State Rep to help identify those libraries in need of materials in their state.

The criteria will be as follows:

- It can be one of your favorites from childhood
- It can be a current favorite
- It can support this year's theme
- It can be a state award winner

Feel free to include a personal note, an inscription, or a bookplate in the book. This information should include:

- Your name
- Your state
- CSLP Annual Meeting 2018
- The reason you selected the title

Thank you very much!
