

Past President / Nominating Chair 2019 Annual Meeting

After the 2018 Annual Meeting, Chrissie asked me to lead the Nominating Committee for the 2020 Board. In conversations at the 2018 Board Retreat, the Board expanded that role to be Nominating and Leadership Development.

After sending out requests for people to volunteer, I convened the Nominating and Leadership Development Committee, which includes Past-Presidents Jasmine Rockwell (Also NC State Rep) and Karen Yother, April Mazza (MA State Rep), Kate McCartney (Member from Marysville, Ohio), and President-Elect Josephine Camarillo.

Together, we reviewed the by-laws concerning voting, sent out several requests for nominee submissions, vetted the nominees, checked references, and established the slate you are voting on at this Annual Meeting. We have shared the procedure we are using for voting, and hope and expect the process to happen smoothly.

Beyond the Annual Meeting, we will continue on working on Leadership Development. I anticipate that we will provide opportunities for State Representatives and CSLP Members to become more involved with CSLP, including working on committees, mentoring, and fellowshiping.

If you are interested in Leadership Development in any capacity, please reach out to one of us on the Committee.

Respectfully submitted,

Matt McLain
