• We will have a Q&A session at the end of each session. Due to the large number of attendees, it may not be possible to have all questions answered. We will do our best!

What is CSLP?
Mission and Vision

We empower libraries to foster community.

We collaborate with libraries to create an inclusive literacy based program that is enjoyable for all ages, provide a reproducible program with a unified theme, share resources and offer professional support.

We are a 501(c)3 non-profit. We fund our organization with membership fees and catalog sales. All the money raised supports future programming.
